Since the PCC last met, a thank you has been written to all of those giving by standing order or by envelope.

Copies of the PGS application form have been distributed in the pews and it is an encouragement to report that, although we lost one anonymous donor in January, we did gain two new ones.

May I ask the PCC for their help in encouraging their friends within the Church to look at these application forms in the pews and to consider joining the PGS. It is by far the most effective and efficient way by which the Church receives a regular income.

At the beginning of January 2020, a submission has been made to HMRC for a gift reclaim of £1601.35.

For the record, I include total results of our donations over the last four years.
