Editor: Paul Hardingham considers that first Easter morning...

Looking for the Resurrection

An old couple are driving down the motorway when the wife gets a call from their daughter. *'Mum, there's a car driving the wrong way down the motorway!'* The wife warns her husband that there is a lunatic on the motorway. Her husband, clutching the wheel in terror, replies: *'One lunatic? There are dozens of them, all headed straight for us!'* What we see is determined by our perspective on life.

In the Nicene Creed we say: *'We look for the resurrection of the dead, and the life of the world to come.'* In the gospel accounts of the Resurrection, there is a lot of looking and seeing. Mary Magdalene, Mary the mother of James and Salome went early to the tomb. They saw the stone rolled aside and inside the tomb a young man dressed in white said to them: *'Don't be alarmed. You are looking for Jesus the Nazarene, who was crucified. He has risen! He is not here. See the place where they laid Him...He is going ahead of you into Galilee. There you will see Him'* (Mark 16: 6,7).

Like the women we would probably have been left *'trembling and bewildered'* by what we saw that morning. Had the body been taken? Was the young man an angel or deceiver? Was Jesus raised to life again, or was this an elaborate hoax?

Easter gives us a choice. We can approach life looking for disappointment, fear and despair. Or we can look for resurrection and find not just an empty tomb, but encounter the living Christ. He continues to meet us in our daily lives bringing new hope, forgiveness of sin, healing and wholeness and the assurance of His presence through the darkest of times. God invites us to see our lives differently and look for Christ's resurrection life at work in our lives and the people around us.

CELEBRATING OUR BELLS – THEIR CENTENARY

It was on 23rd March 1924 that the newly-recast bells were re-dedicated by the Bishop of Exeter at special service in St Peter's. We are marking the anniversary of this occasion and the centenary of our bells with a special bells-themed service on Sunday 17th March at 10:15am. Please note that this is a week earlier than previously announced in order to avoid clashing with Palm Sunday.

Following the bells service on the 17th there will be coffee as usual and then a bring-and-share lunch in church from 12noon. Everyone is invited to bring a plate of food and stay to mark the bells' centenary. We hope to be joined by representatives of the community and those who have been responsible for carrying out the overhaul work on the bells in the last few weeks. We do hope you will join the ringers in this special celebration.

OVERHAULING THE BELLS

While the bells may have been silent on Sunday mornings and Tuesday evenings for the last few weeks, the ringers have been far from idle. Tuesday night practices have continued at other towers in the area, and we are grateful to St Paul's in Tiverton, Cullompton and Thorverton for welcoming us.

More significantly most members of our band and some ringers from other towers have been helping with the overhaul work. By providing assistance for the bellhangers from John Taylor & Co and offering overnight accommodation we have significantly reduced the cost to the church. Ringers have been carrying wheel halves, clappers and pulley boxes down and back up the tower stairs. We have also been cleaning out the bearings and rubbing down the paintwork on the bell frame ready to

BELLS FUNDRAISING – WE ARE NEARLY THERE

A rather drab and drizzly Saturday afternoon last month was enlivened and brightened by a cream tea fundraising event in church for the Bells Project. Over 60 people turned out to enjoy teas and cakes, good company and a musical entertainment provided by former St Peter's bellringer, Dave Graham and his mates from The Courtenays Folk Ensemble. A range of traditional folk songs and sea shanties kept everyone's feet tapping along. Dave gave us a special rendition of the Devonshire Bell Ringing Song, while Archie treated us to two sets of Scottish airs on the bagpipes. A range of gift, plant and craft stalls along with a hamper raffle all contributed to a magnificent total income of nearly £700. This gets the bells fundraising overall to nearly £20,000.

Thank you to The Courtenays Folk Ensemble (pictured) for supporting our event and to all who have come to this and previous events and given so generously.

South Wessex Organ Society Visit

On Tuesday March 5th, St Peter's is hosting a visit by the South Wessex Organ Society, which is based in Lyme Regis, as part of their Winter Organ Course. Delegates will arrive mid-morning and depart late afternoon. The subject is 'Interpreting Bach on an English Organ' and examples will be played by Peter King, with a talk and Masterclass by Andrew Millington (both well-known at St Peter's). The day is not open to the public. We are pleased to have these gifted musicians using our splendid Father Willis organ, which dates from 1696, and is admired far and wide.

Church members and visitors enjoyed refreshments & socialising.

Tiverton Mothers' Union

Wednesday March 27th 2pm in the Baptist rooms. Our meeting falls in Holy Week, our speaker will be Sarah Rock-Evans and the title of her talk will be "SHADOWS OF HOPE". Sarah is an ordinand, training for ministry in the Church of England with St George & St Paul's in Tiverton. She will bring us a series of passages from the Bible exploring Jesus' journey to the Cross and the hope that He still offers to the world today. There will be opportunity for study, prayer, reflection and discussion. All welcome.

All are welcome to join us this special week in the churches year and share with us afterwards in refreshments and a chance to get to know each other and hear each others news

Change, but no change!!

Last month Tiverton Mothers' Union held its Annual General Meeting - with a difference! Because we were having difficulty in finding members to hold office – leader, secretary and treasurer – there were no elections and only reports on what we did last year. The reason for this is that, to make life easier for us, and indeed, to

carry on, we have decided to 'move on' with each of us becoming Diocesan Members of MU, and doing away with all that running a branch involves.

So, yes, things have changed, but we will all still belong to MU, still meet regularly and enjoy the fellowship and engage speakers, but without the hassle! Without a treasurer we do not need a bank account as each member will pay the annual subscription direct to the MU diocese. Apart from that members will not experience any difference, and personally, I will be quite relieved not to have to run the show!

The upside of 'Moving On' is that each of us will receive all the information personally, direct from the office in Exeter, instead of through me, and we will all be well informed. At the AGM those of us who have played significant roles within the branch were thanked and a few of us agreed to form a small committee to enable the smooth running of the group. This was followed by a short act of worship, the 'Moving On' service, and then a scrumptious tea!

I will remain the contact for Mothers' Union in Tiverton, and we welcome any who would like to come to our meetings – and maybe become Diocesan Members like the rest of us?

WORLD DAY OF PRAYER

(A WOMEN LED, GLOBAL, ECUMENICAL MOVEMENT)

‘I beg you, bear with one another’

The Christian women of Palestine are calling us to connect with the land from where Jesus came; where he was born, ministered and dies – and from where our faith began and is rooted. Despite living in an area of the world where there is ongoing conflict and the future is uncertain, the women of Palestine are sharing with love a reminder that they are there, and they want to give hope to everyone. The theme of the service 2024 ‘I beg you, bear with one another in love’ seems very appropriate for these women who will not give up witnessing to the love of Jesus Christ.

The service in Tiverton will be held in **St Andrew’s Church, Blundell’s Avenue, on Friday, 1st March at 2.00pm**. We invite Christians, both men and women of all denominations, in and around the town, to join in to support and learn about the Christians in Palestine. The service will be followed by light refreshments and the opportunity to meet new friends in Christ.

Our children's corner has lovely cupboards now but needs to be made warm and appealing to children. A carpet would help younger children to play on the floor, a notice board to display on their work, maybe other things.

We need volunteers to help, run the

The story of aspirin

You will probably have taken aspirin, in one form or other, many times. But how much do you know of its history?

It was 125 years ago this month, on 6th March 1899 that the German pharmaceutical company Bayer first patented aspirin (acetylsalicylic acid).

But this is based on salicylic acid, which was used in herbal medicines as far back as Sumerian times, in 2500 BC. It was then that the Assyrians used willow leaves for rheumatic disease. The Egyptians also used willow leaves, as well as myrtle, to ease joint pain or inflammation.

In Greece, Hippocrates (460-377 BC) recommended an extract of willow bark for fever, pain and childbirth. And even the peoples of ancient China, Rome, and Native America all discovered and used plants containing salicylic acid.

Fast forward to Chaucer's 14th century, and the Knight's Tale recommends the use of meadow sweet for pain, another source of acetylsalicylic acid.

In 1763, some science was introduced, when an English clergyman, the Revd Edward Stone,

used willow bark to successfully treat fever 'ague' in 50 of his parishioners. He carefully documented it all for the President of the Royal Society.

In 1828, Johann Andreas Buchner, a Professor of Pharmacology at the University of Munich, purified salicin from willow bark.

In 1859, Professor Hermann Kolbe, at Marburg University worked out the chemical structure of salicylic acid and made it synthetically.

In 1897, Dr Felix Hoffman, a German chemist at Friedrich Bayer and Co, managed to produce pure stable acetylsalicylic acid (ASA). His discovery was the *first time* that a drug had been made synthetically, and so it was the birth of both aspirin and the pharmaceutical industry.

Finally, in early 1899 the new compound was named and registered Aspirin. The 'A' comes from acetyl and 'spir' from the first part of *Spirea ulmaria* (Meadowsweet) a botanical source of salicylic acid.

So next time you take an aspirin, think of the Assyrians chewing willow leaves, 4,000 years ago.

Hello,

In the February copy of the News Letter, we told you that because our usual supplier of Easter Eggs had ceased trading Penny was having problems finding a new source.

I very glad to let you know that Penny has now found another company that can supply "*The Real Easter Egg*" that includes a booklet telling the real store of Easter.

Unfortunately, like everything else, the price has gone up to £5.50 each.

At the moment, Penny has limited stocks so it might be worth ring her at the shop to either check she has some before making a special journey, or to place an order.

These are ideal as a special Easter present for a child, or grandchild (or even for yourself!)

With every blessing

Jesus said, 'I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life'. John 8:12 (NIV)

Winter is almost past, spring arrives on March 20th this year and Easter comes shortly after, and days are getting longer and lighter. We will be closed over the Easter period, Good Friday, Easter Saturday and Bank Holiday Monday to enable our staff and wonderful volunteers to focus on this key time in the Christian calendar.

Like most charities we could not run without our volunteers. Our volunteers bring a wide range of skills and talents that enable Penny and Kelsie to focus on the nitty-gritty of the day to day running of Lighthouse. Some of our volunteers excel at greeting and engaging customers, which is incredibly important in making them feel valued and ensuring they come back time and again. Other volunteers are amazing at keeping on top of housekeeping, tables are cleared and wiped, washing up is dealt with, condiments and napkins are topped up and others just spot a need and step in.

The great thing about volunteering is that age is no barrier. Whatever your age, you have a massive amount to offer and there are many charities out there desperate for your help and support. Obviously we'd like you to consider us if you're thinking of volunteering but nevertheless

volunteering is a great way to support your community.

There are small changes happening at Lighthouse. The free magazines and newspapers that used to be on the tables are now in a rack on the wall by the door. Do help yourself when you come in and we'll put them back when you leave. There will be a prayer box near the till from Monday 19th February with little cards you can write your prayer requests on. Prayers will be included in each Tuesday's Prayers for Tiverton Meeting.

We also have a new Facebook page. If you use Facebook just search for Lighthouse Tiverton and look for our red and white lighthouse. Please like and follow us to keep up on what's going on. We've also signed up for a historic Tiverton Photo Trail the museum are running in the summer so lots to look forward to.

Thank you for your continued prayers and support for the work of Lighthouse.
